

# Forest Floor Bingo

Find as many forest floor organisms as you can. Use the following pages to find out what each organism looks like and how they benefit our forest.

Find four in the same row (up and down, sideways, or diagonally) and yell-BINGO!!!

	Spider	Scorpion	Beetle	Earthworm
	Fungus	Ant	Seed Sprout	Slug
	Millipede	Harvestman	Grub	Free Space
	Sowbug	Centipede	Salamander	Skink
